

Color Eruption

Credit to Mr. Duck

Supplies Needed:

- Tray
- Baking soda
- Teaspoon
- Food coloring - as many colors as you have
- 5-6 small glasses
- Vinegar

Instructions:

1. Line up cups on the tray
2. Fill each cup $\frac{1}{2}$ full with baking soda
3. Drop 10-15 drops of a color in one cup. Repeat with all colors and cups. Each cup should only have 1 color in it.
4. Pour vinegar into the cups quickly and watch them erupt with color.
